...7 CIVIL SUPPLIES: Till recently there was no procurement. Rice and wheat are imported from Madras Province for local consumption. Rural Rationing is in force throughout the State. Ration cards for rice wheat and kerosene were issued. The state is purely a dry area and no paddy is grown. But the soil is very fertile and millets are grown sufficiently. The state is self-sufficient in this respect. Under the orders of the Board of Revenue instructions have been issued to Special Officer, Gandur to procure available surplus millets by persuasive measures through the agency of 2 cooperative institutions with their own finances, under conditions similar to those obtaining in Bellary District. As the Special Officer has got numerous other items of work to be attended to I have appointed a Firka Supply Officer in anticipation of Government sanction for Gandur area to assist him in the procurement work. The General Secretary to Government is the Rationing authority and is assisted by a clerk called the 'Civil Supplies Assistant'.

The State imports every month 225 tons of Kerosene oil from Bellary and it is distributed on ration cards.

There seems to be no necessity to disturb or reorganise the existing Rationing system in the State at present till it becomes an integral part of the district for all purposes.

The Civil Supplies Establishment also supervises mill cloth licences and the distribution of steel and cement. Formerly the Government of India used to allot certain quantities of steel for the state and now that the State has merged with the Indian Union the Government of India have directed that the Madras Government may be approached in this direction. A reference has been made to the Government in this respect.

IRON AND STEEL - Agrl and Non-agrl. quotas - Merged State of Sandur - Distribution - orders passed.

Read: From the Collector of Bellary, No.C.5865/49.CC dated 5.8.49.

G.O.MS.No. 1407 dated 10.4.50.

Consequent on the merger of the Sandur State with the Madras State from 1.4.1949, the question of supply of iron and steel and pipes to that State has been examined. The Govt. of India have stated that they have taken into account the requirements of iron and steel for the Sandur State while making allotments to this Province and have now enacted the Merged States (Laws) Act, 1949, (Central Act No. LIX of 1949) extending among others the Essential Supplies (Temporary Powers) Act, 1946 to the Sandur State with effect from 1st January 1950.

2. The Govt. direct that the D.C.C. and the D.S.A. shall release iron and steel and pipes and fittings for non-agrl. and agrl.purposes respectively to the applicants in the Sandur area according to the existing system of distribution in the Madras State.

3. The Collector of Bellary is requested to give wide publicity to the above orders in the Sandur Area.

'M' on p.3 above. Food Department issued a notification extending the Essential Supplies (Temporary Powers) Act 1946 (Central Act XXIV of 1946) and the Madras Essential Articles Control and Requisitioning (Temporary Powers) Act, 1946 (Madras Act XIV of 1946) to the Sandur State in exercise of the powers conferred by the Extra Provincial Jurisdiction Act, 1947 (Central Act XLVII of 1947). In another connexion, this Department proposed to extend the Iron and Steel (Control of Production and Distribution) Order, 1941 and the Iron and Steel (Scrap Control) Order, 1943. Food Dept. noted in that file that as the notification issued by them already contained

3-8

provision for the extensions of all orders, notifications and rules etc. issued under the above two Acts to the Sandur State, no separate notification extending the above two control orders is necessary. Legal Department however noted that as the order under the new Section 290-A of the Govt. of India Act, 1935 has come into force on 1-8-1949 and under the proviso to paragraph 4 of this order, no order could be issued under the Extra Provincial Jurisdiction Act, 1947 on or after 1-8-1949 and as the Food Dept. notification was published in the Fort St. George Gazette only 2-8-1949, that department notification has no effect and that after 1-8-1949 only the Provincial Legislature can legislate in respect of the Sandur State. In view of the above the file referred to at 'A' above has been transferred to Food Department for further action with regard to the question of extending the Essential Supplies Temporary Powers Act, 1946 (Central Act XXIV of 1946).

(P).

A.

(G

2. The Govt. of India have stated that the requirements of the Sandur State for iron and steel have been included in the Provincial quota. Iron and Steel will therefore have to be supplied to the applicants in that State. It is not clear how, in the absence of the control orders in the State, Iron and Steel can be released and any contraventions of control orders checked. Legal may be requested to advise.

3 The case may be sent to Legal thro' Food.

Dev. Dept.

To A.S.

The case relates to the question of distribution of iron and steel and cement to the applicants in the Sandur State which has merged with the Madras State.

2. The Govt. of India stated that the Sandur State was not getting any quotas of iron and steel from them prior to its merger and that the requirements of the applicants in that State have been taken into account while allotting quotas to this Province. The question of issuing orders in respect of distribution of steel in the State was held up pending the extension of the Essential Supplies (T.P.) Act, 1946 to that State.

Sub: IRON AND STEEL - Agrl. and Non-Agricultural quota - Merged State of Sandur - Distribution - Orders passed.

Read: From the Collector of Bellary, No.C.5365.49 CC dated 5-8-1949.

G.O.Ms.No. Dated -2-1950.

Consequent on the merger of the Sandur State with the Madras Province from 1-4-1949, the question of supply of iron and steel to that State has been examined. The Government of India stated that they have taken into account the requirements of iron and steel for the Sandur State while making allotments to this Province and Kar, ~~under the Provincial quota. They have~~ now enacted the Merged States (Laws) Act, 1949 (Central Act No.LIX of 1949) extending among others the Essential Supplies (Temporary Powers) Act 1946, to the Sandur State with effect from 1-1-1950.

2. The Government now direct that the D.C.C. shall release iron and steel and pipes and fittings for non-agrl and agricultural purposes to the applicants in the Sandur State area according to the existing system of distribution in the Madras State.

3. As regards the release of iron and steel including pipes for agrl. purposes and cement, in the Sandur State, separate orders will issue in the Food and Agriculture and Public Works Departments respectively.

4. The Collector of Bellary is requested to give publicity to the above orders in the Sandur State.
